## BETHEL PARK ICE HOCKEY

September 1, 2021

Dear Business Owner,

Bethel Park Hockey has a proud tradition of athletic excellence and attaining championships. This institution is built through the hard work and dedication of our players, as well as from the support and encouragement from families, friends, and members of the community. The commitment and effort that all our players put forth not only helps to prepare them for the rigorous athleticism of ice hockey, but also enables them to gain experience in leadership, health, and community responsibility. We hope that your business will partner with these devoted players and their families in this endeavor by providing financial assistance to be used throughout the year for things such as training, ice time, uniforms, and tournament fees.
